Quarantine, Pre-start and Start

The distance from parking area to quarantine is about 930m with yellow-black tape.
Car parking coordinates: 40° 45.38.0"N 29° 55.25.8"E
1. Officials who don’t prefer to enter the quarantine, can follow 760 m white-blue tapes from car parking to arena.

2. Officials who want to go to the arena after entering the quarantine will find the staff next to the bag drop point. This staff will describe how to get to the arena.
Start Procedure

Start Point

Blue-white tape
If the railing on the stairs prevent the athletes from crossing to the other side, it is shown on the map as 501.100 Step or edge of paved area symbol like 1.1 photo.
Not on the map

Short railings
- Stairs on the side of the street
- Passable barriers
Forbidden areas marked with black-yellow tapes.
• Q1 - Could you show how the special features on page 31 are mapped?
• A1 – Yes it’s shown in the previous pages.

• Q2 - Will the maps be put in plastic bags?
• A2 – Yes.
Q3 - At Model Event Sprint there were some gates on top of a stair that was closed. Will that happen in competition?

A3 – If gates are shown on the map as passable, they will be passable.

Q4 - Can teams put teams tents in quarantine?

A4 – Yes, also the organiser will provide enough shelter.
• Q5 Which Model event map is newest, attached map, from JWOC instagram, or the model event map?

• A5 – The model event map is a new map.

• Q6 - Is it really only water at refreshment stations?

• A6 – There are no refreshment stations in the sprint. We assume this questions is related to the forest distance races. Information about this will be given at forest distance TOMs
• Q7 East of control 112 there is “506 Small unpaved footpath or track” with “520 Area that shall not be entered” underneath. Is it allowed to run on the footpath?
• A7 – There is no situation like this in the sprint competition map.

• Q8 - At Cumaköy training there were a lot of dogs in parts of the forest. Will there be the same in middle and long/relay?
• A8 – We assume this questions is related to the forest distance races. Information about this will be given at forest distance TOMs.
• Q9 North-east of control 104 there is a very small area of “520 Area that shall not be entered”. Will it be marked in the terrain when the area is barely visible on the map?

• A9 – Yes, in that kind of situations, there will be tape in the terrain.

• Q10 - Are there dashed line / pathes going through oliv? see east of Controll 112 on model map. This combination must be avoided.

• A10 – See Answer 7.
QUESTIONS / ANSWERS

• Q11 Are coaches allowed to walk directly to the arena from the car park?

• A11 – Yes, it is already explained.

• Q12 - Will there be artificial barriers? If yes, how will they look like?

• A12 – The map is drawn according to ISSprOM 2019.
• Q13 is it possible to know the code number of last controls? Is it 100?
• A13 – You will see in the control descriptions.

• Q14 - Is there a road crossing before the spectator control? Is yes, how is it organized and drawn on the map?
• A14 – No additional information.
QUESTIONS / ANSWERS

• Q15 Another topic you should precisize. can coaches walk from Quarantine to finish area? is it marked?

• A15 –It’s already described previous pages.

• Q16 Olive instead of wall signature - same at competition map?

• A16 –Yes it’s the same standard with model event.
• Q17 Permitted and Forbidden walls - no differences in visibility. What is approach/view of the map maker?

• A17 – The map is drawn according to ISSprOM 2019.

• Q18 - GPS devices without map features allowed?

• A18 – No. We refer to IOF Rules 21.5.
• Q19 - What's the method/transport feature of GPS devices for GPS tracking?

• A19 – We recommend you bring your own vest, but organization also provides it.

• Q20 - Is there a map flip needed?

• A20 – No.
QUESTIONS / ANSWERS

• Q21 - Is quaranteen outdoor or indoor?
• A21 – You will see at the competition.

• Q22 - Will potentially passable walls/hedges/fences on the terrain but impassable on the map be symbolised on the terrain with tapes?
• A22 – No.
• Q23 - Will there be artificial barriers for the race? Et What percentage of the race before and after the spectator passage?
• A23 – No answer.
