

# JWOC2020 OFFICIAL CAMP 1 KOCAELI

**Please Note that Bulletin 2 of JWOC 2020 will be announced in mid June 2019 and explain more details about training camps mostly. Please follow Bulletin 1 for the general information.**

## OFFICIAL TRAINING CAMP 1

The first official JWOC2020 training camp will take place in the period 26 August- 01 September 2019. The training camp 1 will kick off with several high-quality training opportunities during 5 days in the Kocaeli Region, then it will end at the Zafer Cup in Duzce.

To provide efficient time usage since the location of training areas, Event Center of 1<sup>st</sup> official training camp has been selected in Kocaeli city where 60 km away from the Event Center of JWOC 2020. Similarly, accommodation facilities are also located around this event center in Kocaeli.

All maps except “Gebze” used in connection with the 1<sup>st</sup> official training camp are drawn by our JWOC2020 mapper who is Georgi Hadzhimitev and his international team. Terrain other than “Aslanbey” and “Golcuk” mainly represents what the athletes will meet at JWOC2020. The courses are to be planned by our JWOC2020 course-setting team.

## ZAFER ORIENTEERING CUP

After one week with several high-quality training opportunities in Kocaeli, Zafer Orienteering Cup will be a part of the 1<sup>st</sup> training camp. First stage will take place in Bahcecik which is too similar to JWOC 2020 Sprint distance and second stage will be held Kurugol long distance in another city Duzce ( 142 km from Kocaeli city centrum). It is our ambition to set challenging courses with running times at the lower end of the winning time interval as defined in the IOF rules.

### Stage 1- Zafer Cup- Sprint Distance

31 August Saturday

Scale : 1 / 4000  
Contours : 2.5m

### Stage 2- Zafer Cup-Long Distance

01 September Sunday

Scale : 1 / 15.000  
Contours : 5m

### Classes

M/W: 12, 14, 16, 18-20, 21B, 21A, 21E, 35, 40, 45, 50, 55, 60, 65, 70+. **In the case of a small number of entries per category, the organizer reserves the right to combine categories!**

## Time Control System (Electronic Punching)

The Sportident electronic timing and punching system will be used. If you have your own SI card you may use it, otherwise you have to hire one when getting your number bib. You must return the hired card back to the organizer after your last stage. If you lose it then you have to pay an additional €50.

All SI card models can be used except for SI5. Air+ touch free system is not activated in SI stations, therefore you should punch directly.

Remember that you cannot borrow or lend your SI card from/to another competitor who has run another stage with that card during the week.

## Results & Prizes

Overall results will be according to the rankings of 2 stages. Prize giving ceremony for overall standings will be held on the 2nd day at 16:00. The preliminary overall results will be announced 1 hour before the ceremony. The winners in all categories are getting medals. Times of prize giving ceremonies can be changed by the organization.

## Training Options

Several training options are offered throughout the week, and courses and controls will be ready to be visited on several different maps. We have arranged access permission to private backyards and other interesting orienteering areas. See information about the training options in the programme. Maps for each training opportunity can be purchased individually or as part of the full training package. Please note that it is not allowed to train on the maps outside the arranged training hours.

## Accommodation and Transportation

Organization offers variety option for accommodation. Teams can choose hotels from 5 stars to student dormitory. These hotels and dormitory have the similar features like JWOC 2020 facilities. Staying in a tent is also an option. Organization also offer transportation from airport to Kocaeli.
